

A high-angle photograph of a modern interior space. The floor is covered in large, light-colored marble tiles with grey veining. In the upper left, a circular white shelf is suspended by thin black wires. In the center, a circular glass coffee table sits on the floor. To the right, a large, modular sofa with light grey fabric and wooden side panels is arranged in a corner. In the foreground, a small, cylindrical ottoman with a light grey top and a darker grey base is visible. The overall aesthetic is clean, minimalist, and contemporary.

The Statuario Collection recreates the classic look of marble with all the benefits of an affordable porcelain. These tiles beautifully mirror the dramatic veins and color variations found in natural marble, creating a durable result that is almost indistinguishable from the real thing.

These large-format Royal Xtreme Statuario Matt Porcelain tiles perfectly replicate the crisp white color and dramatic gray veining of Statuario Venato marble, creating a classic look. The matt finish provides a reflective glow that can brighten up any space, supporting and expanding its architectural traits. Capitalizing on the low-maintenance quality of porcelain, the DreamStone tiles are stain-resistant, water repellant, and don't require any additional sealing, making them perfect for any durable wall installation.

A high-angle photograph of a modern interior space. The floor is covered in large, light-colored marble tiles with subtle veining. In the upper left, a circular white ring is suspended from the ceiling by thin black cords. Along the top wall, there is a long, low, light-colored wooden bench with a blue cushion and a grey throw pillow. To the right, a tall, narrow white rectangular column stands. In the foreground, a portion of a light-colored, curved wooden bench is visible. The overall aesthetic is clean, minimalist, and bright.
