KNOW ABOUT DORSET

The Dorset Porcelain Tile Collection brings the timeless beauty of vein-cut travertine into a durable, modern porcelain surface. Designed with soft linear movement, natural stone character, and elegant neutral tones, Dorset creates a refined look for both residential and commercial interiors.

Available in large-format sizes 24x48, 40x40, and 48x48 inches, this collection is ideal for floors, walls, bathrooms, kitchens, living spaces, and luxury commercial projects. With colors like Dorset Blanco, Dorset Marfil, and Dorset Taupe, this porcelain tile collection offers a sophisticated stone-look design with the low maintenance and long-lasting performance of porcelain.

Natural Stone Elegance in Large Format Porcelain

Inspired by the calm beauty of vein-cut travertine, the Dorset Collection features soft horizontal movement and delicate natural variation. Its refined stone-look design brings warmth, texture, and sophistication to any interior while offering the strength and easy maintenance of porcelain tile. Dorset is perfect for creating elegant, continuous spaces with a clean architectural feel.
